

KEEP STOCKBRIDGE LOCAL

We have substantial evidence that a **large food retailer is planning to take over the Woolworth's building on Raeburn Place. Listed below are 10 reasons how this could adversely affect you and the community that you live in.**

If you agree with us then please sign the petition (to be found in many of the local shops) to help us try and stop this happening.

- ◆ **At least 11 small food shops could go out of business.**
- ◆ **Empty shops sadden our area and devastate our property values.**
- ◆ **Your choice as a shopper will disappear.**
- ◆ **With the loss of small shops, we will lose our community feel.**
- ◆ **Noisy night-time deliveries will affect local residents.**
- ◆ **Stockbridge will become like many other boring sterile high streets.**
- ◆ **We already have plenty of supermarkets within walking distance.**
- ◆ **Parking will become more of a nightmare.**
- ◆ **Families own our local businesses. What will happen to them if a supermarket wipes them out?**
- ◆ **Fewer interesting shops less visitors and tourists.**

**Help us save Stockbridge and keep our local village community
alive.**

**Just think in one year's time the shop in which you are
signing this petition may not exist and your only option
may be a
supermarket!!**
